

**DISTRICT-WIDE MEETING**  
**For All Leagues and All Division "A" Managers**

**Wednesday, February 4, 2009**  
**6:30 PM**

**Sterling-Pruitt Center on Gulf St. in Beaumont**  
**(Across from Old Fair Grounds)**

We will hold an informational meeting to discuss the ASA Program, "ACE" (Achieve, Certify, Educate). Insurance coverage requires at least 1 person in the dug-out for each team to have completed the ACE Program.

This program gives a completion certificate and card to be carried with you. It also automatically does a background check on each person who takes the course. I will get a copy of certificate and a print out of who takes the course. If there are any questions on any individual, those questions will be directed to me as District Commissioner to pursue and give input.

**Carl May, Deputy Commissioner, will be in charge of the ACE Program for District 39. If you have questions now or during the year, Please contact Carl at 409-782-5555.**

It is recommended that each league have several in attendance on the 4<sup>th</sup> to be able to see first-hand. We will have lap-tops with us to provide a view of the course and be able to show the certificate, etc. If you wish to take the course beforehand, go to the ASA web site, [ace.usasoftball.com](http://ace.usasoftball.com) and find the ACE Program. We will also have the Balls & Strikes magazine available for everyone at the meeting.

If you have any questions, call Carl at 409-782-5555 or email him at [cmay@mustangcat.com](mailto:cmay@mustangcat.com) about the Program or me at 409-728-1495 about the meeting.

See all of you on February 4, at 6:30 p.m.

Thanks,  
Linda
